

Untitled Document

Some of the worst mistakes I've ever made came as a result of listening to what people say

So, if I'm under the impression that my BS-detector is in working order, why is it that I often c

Marketing companies will tell you that it is also the most effective way to target customers. 'L

And personal relationships? It seems as if you're supposed to turn up with a questionnaire and

There are industries that make a killing out of predicting compatibility. I mean, just feed someo

The first thing the experts will tell you is to watch the way in which someone walks into a room

Okay, so let me see you walk into a room full of strangers and not feel the slightest urge to h

How many of the people in the room will pick up on it? Nobody, if my act is good. I'll pass the

Thing is that we live in a very externally focused, appearance-oriented world and people plac

That's why I'm a bit sceptical about watching what someone does as a means of making som

There was a stage in which I thought that the only way to get to really know someone i

How can you tell?

Monday, 21 March 2011 19:11

I've come to the conclusion that none of these judging techniques work for me. I only e

You're never really going to know what goes on in someone else's head, so when face

And of course you might end up making monumental mistakes, but at least they'd be y

So, bump your head, employ the wrong people, marry the wrong man, lose your mone
