I am always very impressed with 'The Final Word' in 'The Bonbèrter' in 'Wort en Mensberaad'.

Compliments all around. It shows wonderful sensitivity, lifeskill and wisdom.

My mom actually asked who writes it. She finds the column particularly empathetic and insightful. We love it!

Your magazine deserves nothing less than praise and what a gorgeous front cover once again – the kids love it!

Thanks for your kind words, Marja. 'The Final Word' is written by Angie Kleijn. – Ed
