Our community finds itself in a season of increased crime of all kinds, from petty theft

In the spirit of this season of goodwill I want to offer the community's appreciation to all the p

The SAPS has its own Code Of Conduct which has an impressive introduction, saying "We,

This past year it must have been hard for our police officers to keep their minds and hearts

One wonders if police officers can still maintain a basic trust in humanity and in members of

And yet, a mother reported to me how comforting it is for her to see our police doing patrols

According to the Code Of Conduct, police officers undertake to "render a responsible and effective

In March a young girl was tragically killed in a motor car accident in Hans Strijdom Drive. SH

Such is the impact police officers have when they "contribute to the reconstruction and deve
